Installation & Technical Guidelines:

DO'S

- Before installation, ensure the surface is prepared using plywood or MDF. Remove any existing wallpaper or film. Ensure dipped plywood/lipping patti meets interior quality standards. If defects like uneven coating or discoloration are found, sand the affected area to remove the faulty layer.

इस्तेमाल से पहले - प्लाईवुड या MDF का उपयोग करके सतह को तैयार करें। मौजूदा वॉलपेपर या फिल्म को हटा दें। सुनिश्चित करें कि डिप्ड प्लाईवुड/लिपिंग पट्टी आंतरिक गुणवत्ता मानकों का पालन करती हो। यदि डिप्ड रंग परत में असमान कोटिंग या रंग में बदलाव हो, तो खराब परत को सैंडपेपर से हटाएं।

- Apply a high-quality adhesive to the back of the louvers. For strong bonding, a small amount of hot glue is recommended.

लूवर्स के पीछे उच्च गुणवत्ता वाला एडहेसिव लगाएं। मजबूत पकड़ के लिए थोड़ा हॉट ग्लू का प्रयोग करें।

- Louvers can be installed horizontally or vertically. For extra stability, secure them by hammering nails into interlocking edges or grooves.

लूवर्स को हॉरिजॉन्टल या वर्टिकल तरीके से लगाया जा सकता है। अतिरिक्त मजबूती के लिए, इन्हें इंटरलॉकिंग किनारों या ग्रुव्स में कील ठोककर स्थिर करें।

- Louvers are designed strictly for indoor use.

लूवर्स केवल इनडोर उपयोग के लिए बनाए गए हैं।

- Use a circular saw to cut the louvers to the desired size. Ensure the blade is sharp, undamaged, and free of cracks, bends, or missing teeth.

लूवर्स को मनचाहे आकार में काटने के लिए सर्कुलर सॉ का उपयोग करें। ब्लेड तेज, बिना नुकसान के और सही हो।

- Clean only with a soft cloth.

सफाई केवल मुलायम कपड़े से करें।

DON'TS

- Avoid the use of any chemicals or cleaning detergents. किसी भी केमिकल या डिटर्जेंट का उपयोग न करें।
- Louvers are waterproof, but prolonged exposure to moisture can damage the product. लूवर्स वॉटरप्रूफ हैं, लेकिन ज्यादा समय तक नमी में रहने से नुकसान हो सकता है।
- Do not install them in areas exposed to direct sunlight or near heat sources such as stoves or hobs. इन्हें सीधी धूप या गर्मी के स्रोत जैसे स्टोव या हॉब के पास न लगाएं।

Note:

- Rang ensures all its products are free from manufacturing defects and are suitable for use in standard indoor environments. In case of a manufacturing defect, Rang is liable only for the product cost.
- Beware of counterfeit products. To ensure authenticity, look for the official Rang sticker or Rang-branded box before purchase.
- Product dimensions may vary by up to $\pm 5\%$. Please note that slight color differences may exist between the actual product and the images shown in the brochure/e-catalogue.

Warranty Exclusions:

Rang will not be held liable for complaints arising from:

- Color variations due to batch differences
- Damage during handling or transit
- Incorrect installation procedures
- Outdoor usage
- Direct sunlight exposure
